BEACH CAFÉ & BAR**

*Shutters on the Beach introduces a chic new oceanfront eatery  
to the Santa Monica coast*

SANTA MONICA, CALIF. – Setting the standard for beach-chic on the Santa Monica shoreline, Shutters on the Beach invites guests to enjoy their newest culinary endeavor: COAST Beach Café & Bar. Whether following the stairs down from the motorcourt or from the beach and bike path, the soothing ocean breezes are sure to usher casual beachophiles into this new oceanfront eatery.

In keeping with the classic beach cottage aesthetic that defines Shutters on the Beach, COAST recalls chic Southern California refinement with a modernized energy targeting a crowd of savvy urbanites keen for a great place on the water. Trellises punctuated with bright flowers surround the expansive patio that opens to the coast, with sensual fabric flowing overhead, warm earthen stones underfoot, and soft seaside hues that recall the fantasy of true beach comfort coupled with chic dining. Contemporary touches include an open kitchen for curious eyes, a self-heating floor to provide warmth on those cooler evenings and two plasma screens above the long inviting bar and a lively communal table.

Whether it is seafood from the Raw Bar with a crisp Sauvignon Blanc, classic appetizers washed down with an inventive cocktail or an after-dinner cappuccino with a sampling of desserts; all manners of dining are to be relished at COAST. Paired with the sun or moon-lit sands of the Santa Monica coast and the crashing waves of the Pacific, COAST is offering up casual seaside dining to California locals and beachgoers from afar.

COAST offers a sociable menu of finely executed comfort foods, with an emphasis on dishes that speak to the seaside location. The centrally highlighted Raw Bar will stock fresh offerings including *Oysters, Clams, Crabmeat and Shrimp*.

Executive Chef Ray Luna at the helm in the kitchen draws upon his California culinary roots from his days at The Patina Group and Spago to bring diners a selection of comfort food best enjoyed with grains of sand between their toes. Some of Chef Luna's playfully elegant dishes include *Crabcakes, Grilled Red Snapper Tacos, Mac & Cheese au Gratin, Clam Chowder, Fish & Chips, Shrimp a la Plancha, Rigatoni with Beef Ragout, Herb Roasted Chicken Pizza, Broiled Halibut, Baby Back Ribs* and simply delicious desserts.

With COAST's exquisite style, food, and service, dining by the shore never tasted so good...

About Shutters on the Beach

Independently owned and operated by the Beverly Hills-based Edward Thomas Hotels, Shutters on the Beach is an elite hotel located on the beach of Santa Monica Bay. In addition to being a savvy business destination, the hotel is known for its inspiring interiors by celebrated interior designer Michael Smith, expansive panoramic views of the Pacific Ocean and California Coastline, comfortably elegant and intimate atmosphere, dedication to guest services and a strict policy of protecting the privacy of its “who’s who” guest list. A member of *the Leading Hotels of the World*, Shutters offers two signature restaurants, One Pico and COAST, both boasting views of the Santa Monica Beach and Pacific Ocean. ONE, the Spa at Shutters, provides the coveted services of Ole Henriksen, Hollywood’s hottest skincare specialist. As the arbiter of beach living, the hotel is also the inspiration for Shutters Beach Style, a print and online catalog ([www.shuttersbeachstyle.com](http://www.shuttersbeachstyle.com)) for purchase of gifts and accessories. Conveniently located at One Pico Boulevard, within 20 minutes of the Los Angeles Airport, Beverly Hills and Hollywood, Shutters is also within walking distance of the Santa Monica Pier and many fashionable shopping districts, fine restaurants and art galleries.
